

Damone Keith White

October 15, 1956 - November 5, 2014

Damone Keith White was born October 15, 1956 in Richmond, Virginia to the late Claude A. and Mary “Betsy “White.

At an early age, Damone accepted Christ and was baptized by Reverend Franklyn Richardson, Jr. at Rising Mount Zion Baptist Church in Fulton.

He was educated in Richmond City and Henrico County Public Schools. After graduating from Henrico High School, Damone enlisted in the U.S. Navy. Upon completion of his term in the Navy, he attended Smithdale Massey Business College and Delaware State University where he played basketball.

“ *Damone, I considered it a honor and priviledge to have met you and to get to know you. You were such a special person to Walter and he loved you like a brother. I appreciate all of the calls and visits that you made to him when was so sick and we didn't even know you were dealing with your own health issues. You were a gentle giant to me and made feel so much apart of the relationship that you shared with Walter. I considered you one of the many brothers that I have from my marriage to your brother as he called you. To your family, I pray that God gives you the serenity and peace that you may be seeking at this time. But know that God saw that he was tired and gave him what he prayed for the most and that was peace. Now he is resting in the arms of our savior and enjoying the peace. Know that we all will see each other on the other side. Damone, Walter is going to do you proud when he sings your favorite song. I love you and will miss you more than you will ever know. Sleep well my brother. Know that Walter and I love you and will miss your smile and our phone calls.*

“ *To: The White Family.
I am sorry for your lost. There is hope for Damone. At John 11:25 where Jesus said: "I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life; To "a new earth that we are awaiting according to his (Jehovah God's) promise, in these. Righteousness is to dwell."- 2 Peter 3:13.*

“ About 10 years ago I went to richmond to visit a friend. I was driving my mothers car, and I was bent over digging into the trunk. So as you can imagine, only my rear end was showing. All of a sudden I hear from behind, Tracey is that my Cuz? To my surprise it was Damone. I had not seen him in at least 10-15 years. How in the..... did he reconize my kaboose. Damone said he would know his cousin anywhere! We have kept in touch ever since. Damone had just recently visited my seafood restaurant with his girl and enjoyed some large crabs. Damone you will be truely missed and Loved.
