

## Dana Dudley

November 21, 1963 - August 14, 2019

Dana T. Dudley, daughter of the late Vance Epps and Minnie L. Epps, was born on November 21, 1963 in Baltimore, Maryland. She was called to rest on August 14, 2019.

Dana attended public schools in Baltimore, Maryland, graduating from Lake Clifton Eastern High School in 1981. She went on to receive her Bachelor's Degree from Sojourner-Douglass College in 2007 and her Master's Degree from Johns Hopkins University in 2015. She was employed at Johns Hopkins Hospital until her health began to fail.

For many years, Dana attended Faith United Baptist Church, led by Pastor Franklin Peterson. Recently, she joined New Cornerstone Baptist Church when Rev. Melvin Roscoe became Pastor. Dana was a very active member, joining the ushering board and serving in other ministries as needed.

Dana was married to the late Clyde Fowlkes, who preceded her in death. After some time, Dana found love again, and on February 1, 2005, she married the late Girard L. Dudley whom she loved dearly. From this union, their beloved pet Boo Boo "The Cat" was welcomed.

Dana will be sincerely missed but never forgotten. She leaves to cherish fond memories: a loving mother, Minnie L. Epps; devoted siblings Mary Harper,

Hosey L. Epps, Theresa L. Epps, and Vance Epps Jr.; one aunt, Lissie Epps Taylor; one uncle, Samuel Dickens; one sister-in-law, Barbara Epps; one brother-in-law, Eddie Harper; a host of nieces, nephews, cousins, and other relatives.

“ *Words could not express how i felt when i received the news of Dana passing. We laughed, shopped, ate and of course talked all the time. I dont no who smiled the most or if we were always happy to see each other. We were hard working friends, she gave me my 1st baby shower. It was then, we found out we were related, we were family!. Oh my now we really talked!. Dana was a loving, caring person always willing to help. We were there for each other during our darkest moments, the lost of my mother, & the lost of her husband. Dana was an awesome cousin & friend. She will truly be missed. Rest in peace, my cousin....*

“ I'm very sad to hear about the loss of Dana. She was always a helpful individual who made sure to check up on everyone and see if there was anything she could do to help. I worked with Dana at Hopkins for many years and she was a joy to be around and she always had a smile on her face.

Condolences to the family for their loss.

“ Words cannot express how I felt to hear the news of a dear friend. I worked with Dana for 8 years at Johns Hopkins Hospital. This was my sister friend, my lunch buddy, my tell all her problems too, and the person I shared great laughs with regarding my children. Dana was full of love, laughter, joy, and she had a sweet spirit. She was the type of person that once we got into a conversation it would go on for hours:) Even through some of the obstacles she faced with her health, she would always make a joke (if I live long enough). I just want to say that her spirit will always live on because she left a wonderful impact that will forever be in my heart. Love you Dana. I want to send my deepest condolences to the entire family... (Especially mama... in Dana's words she always talked about MAMA:)

“ Got to know and love Dana met her approximately one year ago. Dana was a workaholic for the Lord. The last time we were together we were preparing to have our re grand opening at New Cornerstone Baptist Church. Dana was downstairs cleaning I entered the church she said go upstairs and clean the cleaning supplies might be to strong for you yet she wasn't feeling well herself. God rest you soul Dana love you my sister you're in a much better place now oh and no worries our pastor will be taken care off I also know that was a great concern of yours. You left pastor Melvin Rascoe in good hands at the Stone thank you for being a part of us. Love Sis. Debbie New Cornerstone.

“ Hello Family and Friends of Dana:

*My name is Jeanna, and I worked with Dana at Johns Hopkins until my retirement almost 3 years ago.*

*Dana was a wonderful person, full of joy, enthusiasm, and optimism. We were proud of the way she stayed with her educational pursuits, and thrilled when Dana graduated.*

*Dana and I worked together with the Big Brothers/Big Sisters organization based at Tench Tillman Elementary-Middle. Dana had a huge impact of the life of the young lady she worked with. Dana was a delightful person to know and it saddened me greatly to learn of her passing. Please accept my sincerest condolences and know that I will keep you all in my prayers. God willing, I will meet some of you on Thursday, and see others again then too. Peace and Blessings to you all.*
