

Dana ReNeé Quarles

September 18, 1990 - May 19, 2005

Dana R. Quarles, 14, born September 18, 1990, went home to be with the Lord on May 19, 2005. Dana was a freshman at Varina High School. This was her first year as a member of the track team. She made the most of every opportunity presented to her and took on every challenge with a smile. Her faith in Christ was unwavering. She professed it with boldness in street witnessing and displayed Christ's love in handing out blankets and food to Richmond's homeless during the late night hours. She leaves to cherish her memory, her mother, Cynthia Tisdale; father, David Quarles; stepmother, Dynevia Quarles; one sister, Brittini Quarles; two stepsisters, Brandy and Shanda Giles; two brothers, Darryl Tisdale and Brad Teas; one stepbrother, Rashad Giles; maternal grandmother, Gladys Crawford; and step grand father, John Crawford; step grandparents, Langston and Irene Whitehead; maternal aunt, Patricia Tisdale; maternal uncle, Keith Tisdale (Jackie) of Chesapeake, VA; paternal aunts, Shirley Scott (Nathaniel) of Neptune, New Jersey; Betty Carter, of Covington, VA; Pamela Quarles-Garrett (Roy) of Richmond, paternal uncles, Rudolph Quarles, Sr. (Diane) and Tyrone Quarles, Sr. all of Covington, VA. And a host of great aunts, uncles and cousins. Also surviving are step aunt, Paulette Gipson (Michael) and step uncles, Langston Whitehead, Jr. (Cynthia) and Sherland Whitehead, Sr. (Yvette) and a host of cousins. Dana was preceded in death by her paternal grandparents, Thomas and Christine Quarles, and a paternal uncle, William Quarles.

“ Dana....It's 2023 and I still think of you often. We were freshmen at VHS nervous but excited to be in high school. We sat beside each other in all the classes we had together but math with Ms. Wells/Wallace was our favorite. Later in the school year we then both decided to join the track team. Practice was rough at first but we made it better with our nonstop jokes and laughter about any and everything. You were the one friend in HS I felt I could relate to most because we both loved the Lord and just wanted to be a light in this world and you were Dana! I will never forget that night the accident happened and I wish I could've helped. I remember calling the hospital as soon as I got home from school to see how you were doing and your mom telling me "We are about to pull the plug". At 14 I didn't know what that meant so my mother did sat me down and explained. I wept that night and for weeks like no other. I felt I had lost my best friend and didn't know how to cope. Going to class and not seeing you in your seat next to me broke my heart. At your homegoing service, I was able to see you one last time and listen to all the beautiful memories you made for your family and friends, at only 14 years old you had done more for others than some do in their lifetime. At that moment I had peace because I knew you made it into the pearly gates. I miss your beautiful smile, laughter and spirit my friend. Continue to rest with our Father and watch over all of us here.

“ *Dearest Family,
My heartfelt condolences to your family on the loss of your loved one. During this most difficult time may you be comforted beyond measure from God's Word the Bible. Almighty God Jehovah has a yearning to undue all that death has caused.
(Job 14:14,15). Soon those asleep in death will live again by means of a resurrection to life. (John 5:28,29).
May you have the utmost confidence in all that Jehovah promises.*

“ Dave, I can remember the day I met you and the day I met Brittany & Dana it was just as funny. I was to begin baby-sitting these two girls with all this hair, grinning from ear to ear, both of them. Brittany & Dana quickly fit in. My family members that met them often asks me how are the little girls with all that hair. Remember the little one, she smiled all the time. It nearly broke my heart to hear about Dana. My sister and I quickly focused on you & Brittany. We had never met Cookie but, I remembered them talking about her so much. We went to see Brittany and she is a very strong girl. I knew how close they were back then so I could only imagine now. Our prayers go out to you all especially Brittany. Dana will forever be remembered by us. When Kiara & Brittney learned of Dana's passing they both asked, "Can we go and see Brittany" and we all went. We have fun memories of Brittany & Dana. The funniest one for me is "Who Is Taking Their Bath First". The one who took their bath first went to bed first. Dana would sit at the table as if she was still eating or doing her homework just to go last and they would be at it. Dana was done with her homework a long time ago, she just wants to stay up with you and watch TV. Back and forth every night. Dana always go last. It was so funny to me. They have both grown up to be very beautiful young ladies and I know you are proud of them. We will keep you all in our prayers. Dana was a fun-loving girl and will be missed by all of us. “ Dana was my “baby cousin”..the youngest of all the grandchildren. I remember her and Brittany visiting Granny’s house and Dana being so excited to play with my Dog (Shaq)! She was so full of life, so bubbly and always smiling. Although we lived 3 ½ hours apart, there is a 20 year age difference between us...and we only saw each other/talked on the Holidays or special family occasion, I feel a tremendous loss. I wish that she could of experienced the joys of life that I have been so blessed to have.....high school prom and graduation, going to college, being in a sorority and getting my degrees, finding the love of her life, her wedding day and the birth of her first child.....but God had a different plan. He chose to pick this beautiful flower and bring her home. On Wed 5/18, Dana had a personal best performance at her track meet....which showed her dedication and determination to strive for excellence. Let the 14 years that she had on earth be a life lesson and serve as a daily reminder to all of us..life is too short to sweat small stuff, live each day to the fullest , never stop dreaming..... and in the words of my late father (her uncle), “go for the gusto big guy.” As the hours, days, months and years go on, We Can Rest in Peace knowing that Dana is in a better place, no suffering, no pain..just many laughs with Uncle Cutty , a lot of love from Granny and Granddad and she will no doubt have that contagious smile as she plays with my dog, Shaq! You will be missed dearly Dana... Brittany and Uncle David....my thoughts and prayers are with the both of you. Please do not hesitate to call on me at anytime! I love you! “ I don't really remember Dana. But my mother knows her father fairley well. But that doesn't change the sadness that filled up inside my heart when my mother told me who she was. I only remeber certain things about her and my lil cousin went to school with her. so he asked me to say something to her family for him. “ Today I can finally come to terms and send this greeting. It is so hard not seeing Dana coming across the backyard to see Jas and get some now & later's out of the candy dish. I always made sure she had a stash of them because she loved to eat them. I'm going to miss seeing her picking berries out of yard to bake some cupcakes. Dana was just like a little sister to me and I loved that she looked to me as a mentor. She earned her wings during her short time with us so I know that she is flying high watching over us and she is resting in one of His many mansions in Heaven. Thank you for always saying "Moni, it will be better tomorrow" when you would notice that I'd had a bad day when you'd come over to visit. Your smile always made me feel better. “ To the family of Dana Quarles, I just read about the recent death of your loved one. I am deeply concerned about the sorrow and distress that you must be experiencing. I have some GOOD NEWS to share with your family regarding your loss. The Bible promises us that we will have the opportunity to see our dear love ones again. At John 5:28,29 Jesus Christ assures us that everyone in the memorial tombs will hear his voice and come out. The promise of a resurrection is held out to all those falling asleep in death.(Acts 24:15). Jehovah God has promised obedient mankind at Revelation 21:1-4 that very soon "pain,sickness ,and yes even death will be no more," because according to 1 John 4:8 "God is love". I hope that this message has brought your family some comfort.##imported-begin##c.griffin##imported-end##

“ I am so sorry to hear about the loss of Dana Quarles. I did not know her personally, but when I saw her picture it really touched me because I have a son and daughter around that same age. At times like this you may wonder just why this had to happen to such a young beautiful person. Notice what the Bible has to say at Romans 5:12....That is why just as through one man sin entered into the world and death through sin, and thus death spread to all men because they had all sinned. Our first parents Adam and Eve disobeyed Almighty God Jehovah and we all inherited sickness, old age, and death. You can compare this to a parent that has a disease and passes it on to there unborn child. Although we have inherited sin which causes death we have still have a hope. When Jesus came to the earth and gave his life he made a way for us to have a hope or something to look forward to. Even those who have already fallen asleep in death. Notice what Jesus said at John 5:28-29....Do not marvel at this, because the hour is coming in which all those in the memorial tomb will hear his voice and come out,those who did good things to a resurrection of life. Although we may suffer and hurt over the loss of our dead loved ones Almighty God is going to soon put an end to this. I wanted to leave you with this last encouraging scripture found at Rev.21:4...And he will wipe out every tear from their eyes, and death will be no more, neither will morning nor outcry nor pain be any more the former things have passed away. I hope that you can find some comfort from these scriptures. And feel free to e-mail me if you just need someone to talk to. My e-mail is Michellelee4@verizon.net. “ What a beautiful picture! And just think: when we see our dead loved ones again they will "...return to the days of their youthful vigor..."(Job 33:25) The Bible makes it clear that death was NOT a part of God's original plan for the human family. But we are comforted by HIS promise that there are "new heavens and a new earth that we are awaiting..."(2 Peter 3:13) At that time death, old age, and sickness will be permanently removed.##imported-begin##Lockley##imported-end##

“ I am so sorry to hear about the loss of Dana ReNee' Quarles. I am only 12 years old, but I can remember the sadness I had when I lost my best friend. If you draw closer to the Almighty God Jehovah by reading the bible and praying to him he can help you to cope with your loss. Revelation 21:4 says....And he will wipe out every tear from their eyes and death will be no more, neither will mourning nor outcry nor pain be anymore the former things have past away. So you see in the very near future all these things will be put to an end. I hope this scripture will comfort you the way it has comforted me.##imported-begin##Bria Norton##imported-end##

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ Hello to the family and friends of Dana Quarles. I can tell from reading the messages that Dana is deeply missed. Cant help but think of the scripture at Luke 8:49-56, it speaks of a girl who died and her relatives were weeping and were grieved over her dying(verse 52). Jesus told her family that she was sleeping(verse52). In verse 54 Jesus says "Girl get up!". The girl is raised from the dead. In verse 56 the parents were beside themselves,happy to have have her alive again. It is comforting to know that jesus spoke of death as being sleep. So our loved ones are just resting untill the resurrection.(John 5:28,29)Some wonder if dead ones were raised for the dead in bible times then why cant our dead one come back to us?Take comfort in knowing that very soon Jehovah will bring our dead loved ones back to be with us under peaceful conditions. We have to have faith in his promises.I hope these bible promises strengthten your hope for the future.##imported-begin##O.Crosby##imported-end##
