HUSBAND Daniel, you are an inspiration to everyone and me. Daniel, you are going to be missed. Daniel and I have a special bond together. We were very close. When you saw him, you saw me. He taught me how to smile, and have plenty of laughter. Sadness wasn't a part of his life. He always had something funny to say to make your day. Daniel and I have very comforting words for each other. We had great year's together and good times. Thank you, Daniel, for spending the best years of life with me.
