DB

“ I woke this morning with Danielle on my mind
I don't understand why GOD took a woman so kind
Dani never complained about anything
She showed me her husband's love when he gave her a ring
GOD blessed her with a family of 6
Her husband made 7 when added in the mix
Her love for each was her greatest treasure
Love too deep to even measure
Dani was smart beautiful and full of love
Now she's with JESUS up above
Dani has just the spirit and soul
That GOD wanted to fulfill her role
Her role with HIM as was on earth
To watch over the ones whom she gave birth
And GOD gently placed her here on earth with much love at the
start
Knowing she would love with all of her heart
with such gentle care he etched out her life
And give her beautiful people to help without strife
And HE took her the same way He brought her here
Quietly and peacefully without any fear
Dani led a life full of joy
She was happy with her family every girl every boy
Her extended family goes beyond who she birthed
She had love for all whom she met on this earth
There is so much to say about this woman and the life that she led
But I know for myself none of it was bad
Dani you are sorely missed
But you're in GOD's hands safe with HIS kiss
You gave so much to many with such finesse
Now GOD ordered you to get your rest
A sweet Angel you are looking over us from above
As we know you will do it with your eternal love
Just know we love you always in our heart
Although you are not here physically
you are always with us in our heart

I love you always, Penny
