“ *Greetings to all! My name is Donetra Eddings and I was Danny's second grade teacher. I sincerely wish I was there, moved to another state. When my sister informed of his passing my heart was broken into pieces. Danny's was a loving young man who showed multiple signs of advanced intelligence. I was captivated with his ability to solve math equation with the use of his mind ONLY! Danny will be greatly missed. I'm asking God that during this time of sadness and grief to keep his mother and all other family members close to His heart. God knows what He's doing and the best thing that any of us can do is trust Him in all processes of life. Danny would say to me at times, "Ms. Eddings!!! Yes, Danny?! I love you" Mr. Henderson (that's how I addressed Danny) Ms. Eddings loves you!*
