“ To the family, please accept my deepest sympathy on the passing of Daphne. Please know that she is in the hands of God and no longer in pain. She was a beautiful person whom shined a light everywhere she went. As a wonderful friend and co-worker, she was the one I leaned on during my career. She was a great mentor and comforter. Her bubbly personality and loving ways will truly be missed. Prayers and love to the family and will always hold her in my heart.

“ I have known Daphne for quite a few years now. I met her when she called our company, for service on her HVAC system in her home in Springdale, Maryland. When she moved to Crofton, Maryland, she continued to call us and through that time, she and I had become very good friends. I valued her friendship and I will miss her tremendously. She was a real good person. For some reason, there isn't many good people these days. And the real good people seem to go way too soon. My prayers are with her and her family at this time of their loss. I am sure she will be missed by all those that she touched in her short life here on Earth.

*Sincerely,

“ *To the family of Daphne Cook . I am sorry to read about the loss of your loved one. The pain is tremendous even with the passage of time. There are scriptures in the Bible to help provide relief of grief and distress. Please read Ps 65:2 that reads "The Hearer of prayers a source of comfort in times of grief and distress.*
