

## Darien Jackson McNeill

January 9, 2008 - November 4, 2023

DARIEN 'DAY DAY' McNEIL was born on January 9, 2008 in Baltimore, Maryland. He was third child and first son of Brandi and Donald McNeil. He suddenly passed away on November 4, 2023 in McDonough, Georgia.

To know Darien was to love him. He was small in stature but big with personality. He was smart, loving irrefutably and ambitious in human form. In his short time here with us he mastered so many trades. Darien was well known in the 'gaming' world. He was well loved by all who encountered his infectious good energy and amazing smile.

Day Day leaves to cherish his memories: parents, Donald and Brandi McNeil; sisters, Kaiyah and Jaden; grandmothers, Nenny and Connie; godmother Justis, and a host of aunts, cousins and dear friends.

“ Darien was an awesome lil man! I loved everything about him! So respectful and very well mannered. I watched Darien grow into the awesome lil man he is. I love him soooo much Darien was like a little brother to me! I always told him if I had a son I want him to be just like Darien. Darien gave me great advice and always kept a smile on my face! He had the most prettiest hair ever! I asked him to never cut his hair again and he didn't! My lil big cousin! I'm going to miss the jokes about my height😭 the go getter mentality, you going crazy on the game, playing in your hair and the unconditional love you had for me! I love you Angel! Watch over your mom sisters and your dad they need you the most

“ I had Darien in one of my 8th grade PE classes in the Fall of last school year. I vividly remember him learning that I am a diehard Steeler's fan and he quickly let me know of his passion for the Ravens! I would either enjoy or dread our Monday conversations based off how our teams performed on Sunday. More times than not, he would get the last laugh over me! Fly high, young man, and thank you for the friendly banter. My deepest condolences to your family as you will be missed!
