“ *Not a day goes by that I dont think about my precious mother. Her absence has left a void that nothing can fill. I thank God for the time that He gave me with her. There is a pain that can't be put into words after losing the woman that scratched and scraped to make sure that my sister and I had. Her spirit was and is very strong and I feel her presence all the time. We lost a phenominal woman. We all miss her like crazy!*

“ *I extend my deepest sympathy to Darlene's family. I'll miss her soft, sweet spirit and am sure that her absence leaves a great void. May God embrace you and comfort you during your hour of bereavement and always. Earth has no sorrow, that Heaven cannot heal.*
