“ *I offer my sincere condolences to the family of Darron. Death is truly a heartbreaking thing to deal with, and no family should have to go through such pain. God didnt desire death for us, but only life everlasting. That is why he sent his precious son Jesus so that by means of the ransom price he paid with his life, we might gain freedom from sin and death, and have an opportunity for everlasting life. By means of a ressurection your Darron will live again. Jesus promises this at John 11:25 He said, "I am the ressurection and the life. "Everyone who exercises faith in me, even though he dies; will come to life." Please keep these promises near to your heart, because Jehovah God never fails to fullfill his promises, and may they give you much comfort to help you to cope. “ I offer my sincere sympathy. I know the sadness associated with the loss of one you love and I know the comfort offered by God in his Word the Bible. Please read John 5:28,29 and Acts 24:15 which talks about the hope of a resurrection for the righteous and the unrighteous. After reading these two scriptures please turn your attention to John 3:16 and Matthew 20:28. These two scriptures tell us why we can put faith in the promise of a resurrection. May these provide you with comfort and hope as they have for me.##imported-begin##Gwen Winston##imported-end##
