“ *I am very sorry to learn about the death of Darryl. This must have been a difficult time for all of you. I'm forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrew 9:27 says...It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##*

“ *I would like to send fellow feeling to you. May knowing that others care help to heal the heart. Our heavenly father is there to comfort you all in all your tribulations as 1 Cor. 1:3 say in all your tribulations. The time is coming when no one will ever die again, Isa. 25:8. Imagine the happiness when the dead are raised back to life in the near future as the bible states at Rev.21:3-5. I hope these few thoughts will be postive to read and share.##imported-begin##lillian. c##imported-end##*

“ To Mrs. Bobby and family, I want to first start with the encouraging words that "Earth has no sorrow that Heaven cannot heal", and that is so true I know that it may hurt now and in the days to come, but this is your chance to trust God and allow him to heal your broken hearts. The Word of God says that God wont put anymore on you than you can bare and if he allows you to endure it than yes he will see you through it. Family trust in the Lord now and depend on Jesus that in due time all of your heartaches will be over. If there is anything that Myself or tje Body of Christ can do please don't hesitate to call we the RCL& Escape Ministries will continue to keep you lifted before the most high God that he will bless and keep you in this your hour of beverement, Reverend Brandi N.
