“ *Dear family, please be comforted by the God of all comfort who understands the pain and sorrow we all feel when we lose someone in death. 2nd Cor 1,3,4. One day death will be a thing of the past according to 1st Cor. 15,26 which says, "As the last enemy, death will be brought to nothing. Then all those in the memorial tombs will hear his voice and come out; those who practiced good things to a resurrection of life." John 5:28,29. May those bible promises help you to cope with your loss.##imported-begin##R Johnson##imported-end##*

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ Hello ! Williams ! I would like to take this opportunity to express my fellow feeling to you all, the family & friends. When we lose a dear love one it breaks the circle of life. The family must be pride to have memorises of 89 years shared with Mr. David. The encouragenemt found at Ps.90:10 state that some persons will live to be 70 years and others because of speical mightniess 80 years, Mr. David lived a little longer. Knowing that others cares helps to heal the hurt we feel from death hit. May all the wonderful prospect near to happening in the future strength our hearts. Sincerely, Lillian Crosby.##imported-begin##Lillian Crosby##imported-end##
