To Selence , Toyinette, Trisha, Essence, Precious and Family, I have not know what can be said when you all are so deeply hurting, but you all knows God's love, but my heart always been there for you all, Know that God's calling is never prepare, no matter how it's planed, he's at peace and peaceful resting with love ones that also came to take him home, he's Loving you all, and telling you all he's okay, and he will protect and watch over you all, and Selence he Loves you and your Husband always and he's Free from his misery, and he doesn't blame nor angry, He made it over into eternal peace and he has his wings, I will be there tomorrow and or at the Funeral, Love you always

"A mother's love for her child never ends; it grows and grows and never stops,

A father's love for his child is like a bright shiny star shines as bright as the love he has for his child that will never diminish.

A family whole and a family broken will learn to love even more for the lost of a love one will unite them and make them stronger."

I pray God peace and strength for all of you
