“ *I just heard about David and my heart is heavy yet rejoice. David was my client for a couple if years. He was a kind gentleman with a loving heart but could be stubborn when he wanted too (🙄). I loved his joyous spirit. We often laughed about being under the same sign. Even though my heart is heavy it rejoice because he is living now with out pain and suffering. I am praying for the family that you continue to receive strength, comfort and peace from God. Much Love Ms. Malone 🙏❤️🕊️*

*I had no idea that my most dear friend David had passed away. My heart is deeply saddened. We were very close and all of a sudden I could not contact him. I prayed and prayed for an answer. A maintenance man from where David lived transferred to where I live. I asked Dennis whether or not he knew David and his response was yes. He told me that David moved. I tried to contact family members to no avail. I checked the obituary and found nothing until tonight. God found my David for me. He and his little dog Heaven were a blessing to me. I've known David for years and he always treated me with the love that only comes from special people like himself. My deepest sympathy to the entire family. I love all of you and I will forever hold David in my heart.*
