“ *Loosing a loved one is a very hard time for all of us to bear. We are hurt and are filled with emotions. But we need not to worry, because Jehovah God is going to do something awesome for those who have fallen asleep in death. By means of his son Jesus Christ, "The hour is coming in which all those in the memorial tombs will hear his voice and come out." - John 5:28. It's our goal to make sure that we get to see David when he is awakened. So we need to know what the meaning of life is so that we make it through this system with "white robes". The meaning of life is located at John 17:3, but it only means life if you can Name, who is talking to whom. Take care! And never stop asking questions about the Bible until you get the truth. It means life for all of us!##imported-begin##Jared Wright##imported-end##*
