“ *Our fathers toil with hands and heart Our fathers toil with hands and heart To make our lives complete. They quietly brave the winter cold, Endure the summer heat. Our fathers' lives are busy, but There's always time for us. They boldly face the ups and downs And seldom ever fuss. Our fathers are the greatest dads. We know you know this, too. But thank you for the chance to share Our love for them with you. by David A. “ Although I am not acquainted with the family or David, please accept my sincere sympathy. To the mother of David and Miss Maria, I say a special prayer for you. I understand your pain, because I too lost my only son when he was a young man. What comforts me is my wonderful relationship with Jehovah God, knowing how loving he is and concerned about our pain. Also the scriptures are so comforting, because it tells us of Jehovah's promise to destroy the enemy death, and to restore life back to our loved ones. 1st Cor.15:26 says, "As the last enemy, death will be brought to nothing." Also Daniel 12:2 tells us, There will be many of those asleep in the ground of the dust who will wake up. Yes family, according to Job 14:14,15, God has a yearning to bring people back from the dead. I know it hurts so much, but please try to find comfort in the fact that one day you will see him again if you faithfully trust in his promises, and live by his word. Take care.##imported-begin##R Johnson##imported-end##

“ Hello Son, My heart is so, so, so broken to see you lying there not able to speak with me. I want you to know, I can never, never thank you enough for the wonderful job you did with my grandson, and it's not a moment that goes by, when you do not enter my mind. I miss you so, so much. My grandson will always remember you and the way you raised him with the morning baths and the plans for the daily activities. I can not remembrance about you without crying, because you were such a wonderful person to my grandson. My grandson could not have asked God for a better loving father than you were to him. I am so sorry to see you go, I don't really know how to deal with this, its like you were a son to me. My heart is so, so heavy and I am asking God for a strength beyond man's understanding. You were a very respectable nice person, and I will always love you for that. You might see my writings from time to time, because I just can't let you go. Love your son's grandmother###imported-begin###Ms. Maria###imported-end##
