“ *Please accept my most sincere condolences for the loss of your precious child. Death is so heartbreaking, especially when it's a young child who has died. My heart goes out especially to the parents. While Jesus was on earth a 12 year old child died. In his compassion, Jesus ressurected the young girl. Please read about this in the bible at Mark 5,35-42. Can you imagine how the parents must have felt when their daughter opened her eyes again. Verse 42 says, "And at once they were beside themselves with great ecstasy. Jesus was giving a preview of what he purposes to do in the near future, and that is to raise millions of the dead back to life. His father has given him this authority to do this. At John 5,26 Jesus said, "Just as the father has life in himself, so he has granted also to the Son to have life in himself. verse 27,28 continues: "And he has given him authority to do judging, because Son of man he is. Donot marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a ressurection of life." So one day your sweet little baby will live again, and will be able to live his life to the fullest. May you be comforted by this, and may your precious memories of your little one help you to cope with his loss.##imported-begin##R Johnson##imported-end##*
