“ *I send my warmest and heartfelt condolences for the loss of Dayse. May Jehovah God and his son, Christ Jesus, comfort and strengthen you during this time of sorrow. Jesus gave his life so that we could be through with sickness and death forever. Death was never Jehovah's purpose for us, but death came to us through the rebellion of Adam and Eve. Fortunately, Jehovah saw fit to send us a saviour to undo the hurt that Adam brought upon us. 1st Cor 15:22 gives us this assurance. It says, "For just as in Adam all are dying, so also in the Christ, all will be made alive." John 3:16 reminds us of Jehovah and Jesus's great love for us, because it says "For God loved the world so much that he gave his only-begotten Son, in order that everyone exercising faith in him might not be destroyed, but have everlasting life." One day, through the ressurection, Dayse will live again. John 5:28,29 May you be comforted by this wonderful promise, and I invite you to have a home bible study with me so that I can share with you the wonderful blessings that God will soon bring about. If you are interested, please contact me at my e-mail address. I have been a bible teacher for many years, and just as someone helped me to understand the bible, I endeavor to help others as well. This is what true love for neighbor is all about. May your cherished memories of Daysw be a wonderful source of comfort to you in the days ahead.##imported-begin##R Johnson##imported-end##*
