“ I believe God called you because you were ready. You had finished your course down here. You will greatly be missed down here. When I go to Polk Street, I can still see you sitting on the front row, shouting when the spirit hits you. and I can still hear you singing "Because He Lives." But now I can envision you singing that song with the heavenly host. Happy with Jesus and singing "Ain't no harm done calling on Jesus. You ran a good race. I'm looking forward to seeing you again one of these old days. God bless your family. To Tina, hold on, keep preaching God's word. Your dad (and my spiritual dad) is looking down and smiling.##imported-begin##Yvonne Green-Sessions##imported-end##

“ To the family of Deacon Richard E. Randolph, Jr., I met Deacon Richard through his brother Deacon Ronald Randolph. It was a pleasure everytime I met him at the furniture store. He did not mind talking about the goodness of the Lord. He also did not mind talking about his brother as well as his family. He was very proud of his family. He was also very proud of his Church. Although he has left his earthly vessel, I wanted to personally thank him for helping me with my furniture. It really meant a lot to me. He has return home to get his Heavenly crown. I will always cherish the memories of the impact that Deacon had on my life. May God continue to bless the family.##imported-begin##Fitzhugh R. Christopher, Jr.##imported-end##
