“ *I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 3yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!*

There are so many things that I could share about Debbie but the hurt I feel is a hurt that I can't describe. To her family both immediate and extended I would say I know you are missing your ma as much or more than I am missing my friend. We can all honor her memory by showing love to all.
