

Deborah M. Dorsey

March 26, 1947 - September 17, 2016

DEBORAH M. DORSEY was born on March 26, 1948 to the late Mable and Lee Dorsey in Baltimore, Maryland. She departed this life on Saturday, September 17, 2016, after a lengthy illness.

Deborah received her diploma from Edmondson High School in 1965. She always had a mindset to become an entrepreneur. At an early age Deborah began her mission by setting up a snowball stand in the community. The snowball stand was extremely successful. So successful that she passed that business on to her younger siblings. Later she started her own business with the help of her bosses Bud and Meredith.

Deborah accepted Jesus Christ at an early age. She was a member of God's Way Ministries under the leadership of her cousin, Pastor Priscilla Hawkins. She loved the Lord and shared her faith and love for Jesus with everyone she met. She was such a loving and giving individual.

Her favorite pastime was special family gatherings with the children. She was given the title "Second Mom," by nephews Ricky, Brian and Chris. All of her other nieces and nephews loved her as much as they loved their moms. They all loved "Aunt Debbie."

She leaves to cherish her memory: one brother, Lee Dorsey Jr. (Ruby); two

loving sisters, Marlene Smith (Devon) and Donna Sutton (Calvin); a long time friend, Jean Brown; a host of aunts, uncles, nieces, nephews, cousins and a host of family and friends that loved her. Debbie was predeceased by her brother Reginald Dorsey and sister Geraldine Hall.

“ *To the Dorset family in the loss of your dear loved one . How comforting to know that Almighty God has not only the power but the desire to reunite us with our loved ones by means of the resurrection hope Jesus spoke of in the Bible at John 5 : 21,28,29 when both sickness and death will be no more as promised in Revelation 21 : 3-5*

Delores Allen - September 20, 2016 at 06:59 AM

TP

“ *My heartfelt condolence to the family. May the MOST HIGH GOD comfort and sustain you during this difficult time. (2Corinthians1:3,4)*
