“ *As devastating as it is we all have to face the harsh reality of death. You have my heartfelt sympathy. By means of the ressurection, Jehovah God will restore life to our loved ones, because this pain and sorrow was never his purpose for us. He has given his son Jesus, authority to bring the dead back to life, and Jesus demonstrated this by raising many back to life while he was here on the earth. John 5,26 says, "For just as the father has llife in himself, so he has granted also to the Son to have life in himself. Then verse 28 says, "Donot marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out. At John 10,10 he says this is why he came into the world. He said, "I have come so that they might have life, and have it in abundace. So through the ranson sacrifice he made in our behalf, death will be erased, and our dead loved ones will live again. May those promises strengthen you, and help you to cope with your loss,##imported-begin##R Johnson##imported-end##*
