“ I’ve been knowing Delores “Pung” for 38 years. She was s wonderful woman. She loved her family. What I admired most about her was the way she took care of her mother. She took her to dialysis every other day for years. She took her grocery shopping and to yard sales on Saturdays that took all day. I know because me and my husband followed them. She cooked for her sometimes. She also cooked whatever her husband and children wanted every single day. She loved all of her children and grandchildren dearly. I’ve been told I’m a very good cook. I credit and her beloved Mother Mrs. Bessie Crewe for a lot of it. I used to watch them do their magic in the kitchen and asked them questions. We had some good talks n good times back in the day. I loved her and I will miss her. RIP Pung.
