“ *Dear Family, I know you want to know why he has moved on..but please know we ALL have a mission on this earth and his has been completed. He was here for a brief moment but to those who knew and loved him, his memory will last a life time. I will never forget that BIG smile. Boy, he could light up a room. Delonta, I pray that while you were in my care I did right by you and showed you the love you needed. You will be sadly missed. Love, Ms. Sherane from The Arrow Project###imported-begin##Sherane E. “ what's up my ni\*\*a. I know you smiling down on me in heaven. Tell the family I said what's up. Happy Birthday to you. You the big 17 now. Wish you was on earth so you could enjoy it down here. It's still so hard to know that you gone and it's still taking time to get over it. You was on my mind all yesterday and today. I wanted to come to the grave but wasn't nothing there but your body that I use to hold close to me. I'm sorry we didn't get enough time to be brothers but nobody can replace what you put in my heart and life goes on. Just wish this damn family would get along down here. I'm not cool with anybody in the family no more. I still love them though. well got to let you live in the afterlife. I'll catch up with you then. R.I.P. Tazz. Everybody that even attempted to look at this I love yall and be strong peace.###imported-begin###Snoopy###imported-end##

“ My condolences to the family. Please be comforted by Hosea 13:14-  
"From the hand of Sheol (The grave)I shall redeem them; from  
death I shall recover them. Where are your stings, O Death? Where  
is your destructiveness, O Sheol?" I hope this passage from God's  
Word the Holy Bible brings you much comfort during this most  
difficult time.###imported-begin##S. Hill###imported-end##
