“ *I would like to extend my condolences to you all. It has been a year since your circle of life was broken. Living for 77 years is wonderful since the bible state at Ps.90 :10, "Some person will live for 70 years and others because of speical mightiness 80 years". I am looking forward to that time in the near future. No more sickness, pain , old age, hearing problems, sorrow , tears of saddness and then death will be gone forever. May all the cherish times spent with Ms. Delores keep supporting you all on the journey of life. I hope these thoughts will be uplifting to read.##imported-begin##lillian Crosby##imported-end##*

“ My sincere condolences to the family at this most sorrowful time. When our loved ones die, they are in the loving memory of our heavenly father, and one day he will remember them and bring them back to life. The faithful man Job knew this, and he asked the question: "If an able-bodied man dies, can he live again? He answers: "All the days of my compulsory service I shall wait, until my relief comes. "You will call, and I myself shall answer you. "For the work of your hands you will have a yearning. So Job knew that he had to wait in the grave for a period of time until Jehovah God remembered him, because he knew that Jehovah has a yearning to see his faithful servants live again eternally. One day all those in the memorial tombs will hear Jesus's voice and come out; those who did good things to a resurrection of life." May you find much comfort and strength in Jehovah's promises. “ Dear DeAnn, James and Davis, My heart goes out to each of you and your families in the loss of Delores. I always enjoyed seeing your mom at the club DeAnn and talking with her...she had a lot of spunk and a warm smile! If I know my dad, I'm sure he was right there at the pearly gates playin' "As The Saints Come Marchin' In" on his harmonica as Christ ushered her in to her heavenly home! All of you and your families are in my prayers and may the Lord's love bring all of you comfort, peace, strength and healing now and in the days to come. In His Grace, Mark###imported-begin###Mark R.
