“ *My dear friend and sister, you will truly be missed. We had some really good times together. We laughed and cried together. I will make sure that Rita, Destiny, and Toot are good. We couldn't have been any closer if we were actually blood sister's. You rest easy and tell everyone I said hello up there in heaven. Love you and I will see you again but know that you can't crown Him until I get there!!*
