“ *My sincere condolences to your family. Death of a loved one is never easy to deal with and our heavenly Father knows this very well. That is why he made this promise in his word the Holy Bible that very soon death will be swallowed up so that we will not experience that pain anymore. This is found your in Bible at Isaiah 25:8. His wonderful son, Jesus Christ not only promised that there will be a resurrection of those that died; (John 5:28, 29) but he also demonstrated it when he resurrected his dear friend Lazarus from death; (John Chapter 11).*

I hope that during this difficult time these and other delightful promises from our heavenly Father bring some comfort to your family.

“ Hello,
I am Jessica and I wanted to send the family my condolences. I am so sorry for your loss. The hope that we all have is that the bible promises that there will be a resurrection at John 5: 28,29 which says "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, and those who practiced vile things to a resurrection of judgment."
I know you all will be excited and uber happy when you see Delores again.
If you want more encouragement you can check our bible-based publications at www.jw.org.
Again I am sorry for your loss.
