“ *Delores was very special to me from the moment she crossed the threshold of Caroline Center shortly after she thought she retired. She was generous to a fault and never gave up on anyone or anything including her B.A. at UM after decades of study. She drove me in her Tesla when we celebrated that event.*

*I have no doubt that she is in her rightful place in heaven celebrating with the saintly 6. Pat Murphy, SSND*

“ *Words alone can never truly capture the depth of the bond Delores and I shared. We often playfully joked that we were each other's favorite sister, but behind those words was a love and connection that ran so much deeper. Working beside you was a joy—your radiant spirit filled my home with warmth, wrapping my family in your love and laughter. The memories of your kindness, your laughter, and your incredible soul will forever live in my heart. You are deeply missed—by me, my family, and all the lives you touched with your beautiful presence.*

*Love Regina, and family.*

“ I’m not sure if Ms.Delores remembered me but I will never forget her impact on my life during the short time I spent with her. I have always admired Ms. Delores and her ability to own any room she walked into, she took charge unapologetically and we knew exactly how she felt, when she felt it because she was going to say it 😊. I knew when I first met her I wanted to be just like her when I grew up lol.

*Her legacy, will forever be honored just as we honor the legacy and love of my late uncle Kenneth Moore “Kenny” in our hearts.*

*May she rest peacefully in the arms of the Most high Creator 🌸💕*

*We send our love, healing, comfort and deepest condolences to the Moore family and all who knew and loved Ms. Delores.*

*Delores was one of a number of strong St Ann's women leaders who introduced me to Baltimore and nurtured my spirit when I arrived there to work for BUILD in 1989. That spirit, will & faith unimpeded through many losses. May She continue to bless us as she completes her journey into the arms of God.*
