“ Dear Grandma, I really think that we ALL thought that you would be here forever. How could you not? I am going to miss that Laugh the most. I know that we all didn't want to except that you just couldn't anymore, because if you could you would have had dinner on the stove every night. I will cherish and remember you for all of the great words and wonderful wisdom that you always shared, but more importantly you get to see Larry and Grandpop again. Love you always, Keona
