“ I would like to convey my condolences for the loss of your dear loved one. Loosing a loved one in death is never easy to cope with especially when it overtakes someone so young. May you find solace in Jehovah the God of all comfort (2Cor1:3-4) and promise that all those who have fallen asleep in death will have the opportunity to live again by means of a resurrection on a paradise earth (John5:28-29, Acts24:15, Psalm37:11,29). Warmest regards.##imported-begin##C. Murphy##imported-end##

“ Ms Edith & family. Even though I didn't get the opportunity to meet Precious personally, I felt I'd known her a lifetime because of all the wonderful things spoken of her by my sister Wanda Scales. God will be with you all during this time of sadness and it's ok to cry, cause tears don't last always. Keeping the family in prayer. “ *" Be still I'm there " Now come on my family smile You are sad only because you miss me And after all, there is nothing that can bring me back there physically I'm there with you now though In your hearts as to your thought My life will live on over Endless a generation never to be cut short You know I was also there To dry all those tears that you shed for me I was aside you all in a way miraculously I'll be here for you too pleading To heal any pain you ever feel in life In times of love harmony, struggling Be those times turmoil or strife Not in a way that you'll see me But look deeply and feel in your heart I'm there, at your side always An Angel's wisdom and love I'll impart All those that went on before me They held my hand tightly when I left Happy to see them all I looked back And sadly saw you all quite bereft But one day in time with me here You too will know grasp understand After life there's a place it's beautiful Family friends now hold my hand All I went through was painful You'll understand one day we'll meet again Listen with care as I now say Life goes on; I love you God Bless you until then To Edith, My heart goes out to you and the family. God never puts more on us than we can handle. I was sad to hear Mesha had passed. But, she has gone on to a better place. May she Rest in Peace. “ To the family of Demesha Eaves, Please accept my sincere condolences on the passing of your loved one. I too know the pain of losing someone young. Please draw comfort from the words of Revelation 21:3,4. "Look! God's dwelling place is now among the people, and he will dwell with them. They will be his people, and God himself will be with them and be their God. He will wipe every tear from their eyes. There will be no more death or mourning or crying or pain, for the old order of things has passed away."##imported-begin##Shantina (Teenie Ma as Mesha called me)##imported-end##
