“ *To the Steppe family:*

I would like to extend my deepest sympathy to our family during this painful time. Yes it's very painful when we lose a loved one to death so wouldn't it be great to see, talk, touch, hug, smile and cry together again. Well, life which is a gift from God did not purpose for our lives to be cut short for any reason no matter how young or old that is why he made a provision by means of Jesus that we may have life again. (John 5:28-29). That is truly a gift of God and one day in our life time the righteous will possess the earth and reside upon it forever (Ps 37:29) in an abundance of peace. (Ps 37:11) So we know that we need to continually obey Jehovah and come to have an accurate knowledge of him so we all can have that precious promise of living forever. Yes it is extremely encouraging to know that in due time Jehovah God has promised by means of his son, Jesus Christ that the dead will awaken (Dan 12:2)and death will be no more, no more suffering and pain according to Rev 21:4, not to mention no one ever having to say they are sick.(Is 33:24). So take heart and be encouraged to know Uncle Poochie still remains in God's memory and he too will benefit from that loving promised blessing of living again here on earth. May Jehovah God embrace you all in His love

“ *My condolences to the family. It seems so unfair that death should have the power to take away someone we love. However, the bible gives us the needed strength to cope. Jesus said at John 11:25 that he is "...the resurrection and the life. He that exercise faith in me, even though he dies, will come to life..." May this strengthen you all as it did me.* *imported-begin* **V Adams** *imported-end*”

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##
