“ *So sorry to hear of the loss of your young one. First Corinthians chapter 15:26 rightly calls death our "enemy". Luke 8:40-56 tells us about a 12-year-old girl that Jesus Christ brought back to life. Her parents were "besides themselves" with joy. In the future resurrection on earth how much more so will we be overjoyed to receive our dead loved ones on a beautiful and peaceful paradise earth. ( Matthew 5:5, Revelation 21:4,5 and Luke 23:43) May these divinely inspired promises give you much comfort and strength in the days ahead.###imported-begin###Sharon Hill###imported-end###*

“ To The Loved Ones of Demond James Jackson, Jr. My sincere sympathy to your family. This scripture is so comforting because it brings us hope. At John 11:25 it reads: Jesus said to her: "I am the resurrection and the life. He that exercises faith in me, even though he dies, will come back to life". So, even though Demond may be asleep in death, on the last day, he will be resurrected to life. I hope this scripture brings comfort to your hearts.##imported-begin##Von Holley##imported-end##

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 What a wonderful prospect for our future.##imported-begin##Carter##imported-end##

“ Please accept my deepest sympathies for your loss, especially of such a young person with his future still ahead of him. But Jehovah God, through his son Jesus, gave us the hope of a resurrection. Not to the world as it is now, but a new world where there will be no more death, pain, sorrow or tears (Rev. 21:3,4). The former things will have passed away. This hope has brought comfort to many. I hope that it does for your family as well.##imported-begin##Senita Swann##imported-end##
