

Denise Edwards

September 7, 1958 - May 4, 2003

Denise Edwards, daughter of Gurnie and Lillie Edwards was born on September 7, 1958 in Baltimore, Maryland. She suddenly departed this life on May 4, 2003. She received her education at Dunbar Junior and Senior High School. Her passions were joking and dancing. Once when she was about ten years old, Dunbar High School had a Christmas show. Instead of people looking at the show, they were looking at her because she was dancing. No matter where she was; she was always the life of the party. Her sudden departure from life has made a great impact on her family and friends. The only harm that she did...was to herself. Her family and friends will truly miss her. Denise leaves to mourn: her daughter, Latarsha Morgan; two sons, Reginald McIver, Robert Amos; six grandchildren, Lamar Morgan, Tanesha Harris, Quran Davis, Kyshawn Davis, Reginald McIver, Nakia McIver; one sister, Dorothy Edwards (Lamont Carter); three brothers, Leslie Watson (Anita Watson), Gurnie Edwards III (Francine Edwards), Duane Edwards; nieces, nephews, and host of other relatives and friends.

“ *Sorry to hear of the loss of your loved one. Our family finds much comfort in the Bible. One such passage is Hosea13:14-"From the hand of Sheol I shall redeem them; from death I shall recover them. Where are your stings, O Death? Where is your destructiveness, O Sheol?" This means that one day soon God will get rid of death and bring our loved ones back from the dead. They will have healthy bodies and won't have the suffering, stress and strife that we all experience now. We hope this is of comfort to you.##imported-begin##Sharon Hill##imported-end##*

“ *At this difficult time so many people care deeply about what you're going through, though no one can truly understand all that you feel...But please remember how much we care, and know you're surrounded by warm, supportive thoughts and wishes for strength and peace today, and in all the days to come.##imported-begin##The March Family and Staff##imported-end##*
