“ I remember she I was younger and we spent the whole day together, but my favorite part was when we were shooting each other with water guns. Also I remember when you let me watch a vampire movie with you, even though I wasn't supposed, and my mom was upset with you for it. I miss you terribly and I made it another year it was extremely difficult 4 years , 4 very long years. But I never forgot about you once. I remember a lot about you and it hurts, but I know you're in a better place watching over me. I love you daddy so much!
