“ *To the family, I offer my sincere sympathy. When we experience the sorrow associated with the loss of one we love, it pains us like no other. God's Word, the Bible, offers us comfort. At John 5:28,29 he assures us that "all those in the memorial tombs will hear his voice and come out." At John 17:3 he also tells us what we need to do to ensure we are witnesses of this great event. I offer you an opportunity to discuss these wonderful promises in detail. Please contact me.##imported-begin##Gwen Winston##imported-end##*

“ *Dennis was a wonderful partner in the various bike shops we worked in together in our early years. His love of people, and love of music, specifically jazz (we had many wonderful jam sessions to the tunes of Weather Report and Herbie Hancock) will always be remembered along with his cool temper under stress and ability to turn adversity into laughter. I love you man!##imported-begin##David Stubbs##imported-end##*

“ *Dennis was a kind and gentle man. I will always remember his Ebony figure at full stride on his racing bicycle chasing the wind! The world is a better place thanks to Dennis. Godspeed my friend.##imported-begin##Mark Stubbs##imported-end##*
