We did not know God was going to call Derek home. We loved Derek dearly and in death we do the same. It broke our hearts to loose you but you did not go alone for part of us went with you the day God called you home. You left us peaceful memories and your love is still remembered. The Family chain is broken and nothing seems the same, but God calls us one by one the chain will link again.

R.I P. Derek. You had a Kind and Big Heart. You and Billy worked so well together. Thank you for all your help when he was not able to do his share. Love you for that and everything else.
