“ *I have never met anyone that could touch as many lives as you did. You were much more than a mate to me you were my best friend. I feel that I have lost the greatest friend I've ever had; therefore, I count my blessings everyday that I was given the opportunity to share with you these last few years. There will always be a special place in my heart for you. Much love. I know you are in a better place, but my selfish ways would rather have you here with me.##imported-begin##Cortney##imported-end##*
