April 8, 1977 - April 25, 2025

Obituary

Diondra Shanette Jones

April 8, 1977 - April 25, 2025

Diondra, 48, was born in Richmond, Virginia. She was raised by Timothy and Sandra, along with her older sister Tenesha.

As a child, she attended Richmond, Maryland, New York and Jersey Public Schools. During her high school years, she had her first child, Ashauni and her second child, Sakhani seven years later.

Even as a single mother, Diondra strived to be the best she could be to support her children, while dedicating time to her career.

She invested 20+ years with Virginia Blood Services, as a phlebotomist, who later merged with American Red Cross, where she was highly respected and had a family away from home. Within those 20 years, Diondra was able to purchase her first home for her and her girls. After leaving Red Cross, she continued her phlebotomy journey with Bon Secours.

Diondra was a strong, kind-hearted individual, who was always there for everyone. She also loved to joke and laugh about everything. She enjoyed

hanging around her loved ones, family and friends.

She is survived by her two daughters, Ashauni and Sa'khani; mother, Sandra; father, Timothy; sister, Tenesha; nieces, Tekia and Tekirah; her nephews, Tre' and Cayson; other relatives and dear friends.

Although she may not be here physically, she will always reside within our hearts. There isn't a day that goes by where we won't be reminded of her goofiness and her strength that she instilled within her daughters. We love you to the moon and back. Until we meet again, forever and always.

Lovingly Submitted,

–Ashauni, Sa'khani, and The Family

“ From day one when we met working at RedCross together back in 2021 we formed an almost instant friendship that lasted beyond RedCross . We FaceTimed almost every day for the past few years always checking in on each other. You have been there for me when I truly needed a friend even when I can sometimes be a lot to deal with you never turned your back on me. We never ended a phone call without telling each other I love you. I’m grateful for the time God gave me with you a beautiful person with a beautiful smile and soul. A few days before I got that deviating call that broke my heart you came rushing to me in my time of sorrow and need you stayed with me all day long making sure that I was ok I’m grateful to have had that last moment with my friend. I still have the voicemail you left me later that day and the message you left me let me know even more than I already knew that you were my friend I’m so hurt and will miss you dearly. Sleep in peace Beautiful. Till I see you again Love Forever ❤️🙏 P. Monique Calderon blood ☐ sisters Forever Phlebotomy Life !!! 🩸🔥 ☐☐

“ Your memory lives on through your girls, your memory lives on through your family, your memory lives on through your friends and every client that sat in your chair, who's souls you were able to touch. Although this will forever be hard for me and everyone else, you didn't leave without putting an impression on everyone's lives. I love you with every breath in me. -Shauni
