“ *Death is a harsh and devastating interruption to life a precious gift of God. Yet in most of our lives today we see death as our final eventuality accepted by many. However our heavenly father Jehovah God, the giver of life promises that one day in our near future death will be no more. As Revelations 21:3-4 states “God will wipe every tear from our eyes and death will be no more, neither will mourning nor out cry nor pain be anymore.” How truly happy we all will be not to ever be threaten by death because it is Jehovah God’s promise to us according to Psalms 37:29 for the righteous ones to live forever on earth. Another hopeful awaiting thought in our future is all those who have lost their lives to death or the lost of our love ones, Jehovah God says according to John 5:28,29 all those in the memorial tombs will hear Jesus voice and come out. Yes these ones will live again! We all can hold fast to this because Titus 1:2 states: upon the basis of hope of everlasting life, which God, who cannot lie promised before times long lasting. Such a comforting thought to know our having life forever was always Jehovah God’s promised purpose for us.##imported-begin##B Carter##imported-end##*

“ I would like to send my condolences at a time of much heartache and grief. I pray that the comfort of God will bring the healing to all those affected over this lost. How blessed we all are to know despite the painful effects of death our God Jehovah have promised a relief from our enemy death. Rev. 21:3-4 states death will no longer exist and will no longer cause mourning nor our cry or pain anymore. He says death will be swallowed up according to Is. 25:8-9. However Jehovah's greatest promise he says, the dead will live again according to Is. 26:19. That is truly a wonderful hope. Our very loved ones lost to death will live again. Yes their state is temporary like a sleep.##imported-begin##Carter##imported-end##

“ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##

“ To the family, my deepest condolences. May you cherish his memory. The Bible has words of comfort. At 1 Cor. 15:26 states, "As the last enemy, death is to be brought to nothing." God has promised to do away with death and the pain that it causes. May these words be of comfort to the family.##imported-begin##Sean##imported-end##
