“ *You are my sister for life, my best friend I will miss you always. You always will be in my heart. Always be my sister and friend for life. Fly on my angel sister and so hard to believe that you're not here but you are here with us in spirit I will keep all the memories we shared and all the good times we had talking on the phone. Laughing going out places together out of town together. Love you always my sister and best friend Dominic. 🕊️👼❤️💖*
