DON MORGAN DORAM, the first son of three children, was born on January 30th, 1950, to Ralph W. Doram and Marie C. Doram of Baltimore, Maryland. On December 18th, 2017 our beloved Don followed the path that God laid for him.

In his early years, Don worked with his father who was an Architectural Engineer erecting many types of privacy fencing and constructing porches. Don attended Baltimore City College High School graduating in 1968. Don then attended Morgan State University for two years before being drafted by the military. His first tour of duty took him to Tripler Army Hospital in Honolulu, Hawaii. There Don was quite content working as a tech in the medical facility with the hopes of attending medical school. Once his two years of duty was completed Don wanted to return to Tripler Army Hospital then re-enlisting participating in the Intelligence Program.

Don had a love of the arts, Giorgio de Chirico was his favorite artist of metaphysical and surrealistic expressions. Don was deeply interested in the metaphysical arts and practiced Hatha Yoga for a time. Don was a sports enthusiast, he loved football and played on his high school team. Don loved all forms of music including classical, jazz and R&B.

Don has spent his last years residing at Serenity Gardens where he has been

lovingly cared for by Mrs. Gail Arrington, her supportive staff Ms. Margaret, Ms. Marie, Ms. Delores and others. Don made lasting friendships with other veterans watching lots of football games. Don had a wonderful sense of humor finding joy in nearly everything he encountered. Don had an amazing ability remembering the birthdays of his cousins and their children.
