*Growing up with Donnie, Richard, Babara, and Lois in Turners Station it was about family. He loved baseball he and my brothers Harry and Odell would rally up the guys for the games Donnie was short stop ,always had a smile cause he was a ladies man
Donnie and my brother Harry both went into the Marines ,did their Vietnam tour and came home safe, most people didn't know that Doonie and my brother Harry had a singing group they would rehearse at my mom's house often and the biggest thing in their lives was that Donnie and my brother Harry both were scouted to play baseball for the Baltimore Orioles. Now that you have said your final good night rest well my friend*
