“ I would like to send my condolences at a time of much heartache and grief. I pray that the comfort of God will bring the healing to all those affected over this lost. How blessed we all are to know despite the painful effects of death our God Jehovah have promised a relief from our enemy death. Rev. 21:3-4 states death will no longer exist and will no longer cause mourning nor our cry or pain anymore. He says death will be swallowed up according to Is. 25:8-9. However Jehovah's greatest promise he says, the dead will live again according to Is. 26:19. That is truly a wonderful hope. Our very loved ones lost to death will live again. Yes their state is temporary like a sleep.##imported-begin##Carter##imported-end##
