“ Bub, You will be missed more than you know. You were the chilled laid back type. Everytime we came around you would always come sit and talk to us. I still remember your favorite meal from Burger King. I also remember the time when we went to that breakfast spot over west, you could barely keep your eyes open but you still wanted to go (lol). You were one of the nice guys and to know that I won't see you again hurts so bad. I'm thankful that I had a chance to know you and I'll always have the memories to get me through. Luv ya!###imported-begin###Andrea###imported-end###
