“ *Donna...growing up on Chalgrove was like growing up with a huge extended family. We all laughed and played together like sisters, and at times, we argued and even cried together too. I'm proud to have known you and even prouder to call you a friend. My deepest sympathy and prayers go out to Madonna, Tony, all of the Hayes family, and all of those family and friends impacted by this horrific loss. “ To the family and friends, I offer my sincere sympathy. I know the sadness associated with the loss of one you love and I know the comfort offered by God in his word the Bible. Please read John 5:28,29 and Acts 24:15 which tells about the hope of a resurrection for the righteous and the unrighteous. After reading these two scriptures please turn your attention to John 3:16 and Matthew 20:28. These two scriptures tell us why we can put faith in the promise of a resurrection. May these provide you with comfort and hope as they have for me.##imported-begin##Gwen Winston##imported-end##

“ First I want to express my deepest sympathy to the family. I have known Donna for over 15 years. And I am so glad to have shared so many "good "times with her. She was a good friend of me and my husband Garfield. She would always come and give both of us a "big" hug when she saw us. We are going to miss her laughs, and her big smile. We will always keep you in our hearts and you will never be forgotten. When you left us so suddenly part of our heart went with you. May God Bless Tony, MaDonna and your family because I know for a fact they were your world!! Love Tracie and Garfield.##imported-begin##Tracie James- Roxburgh and Garfield Roxburgh##imported-end##

“ My deepest sympathy is with your family. I have had the pleasure of knowing the Hayes family for approximately 30 years. When I think of some of the times we share together, and some of the laughter that only Donna could provide, it brings a smile to my face as it did then. So to the family, Madonna and Tony, the sisters Mona, Annie, Monica, Karen , and brothers Chris and Ricky , I say , hold on to the wonderful times you all shared. When the moments of sadness come as they will, remember Donna in the fullness of life. If ever you need someone to talk to , or someone to just listen, it would be my pleasue. May God craddle you all , during this difficult time. Love and Blessing, La Vita (Tonya)###imported-begin###LaVita Hines###imported-end##

“ Donna our community will not be the same without you. I remeber when Shelbi and I were looking for a new home, and you greeted my daughter and I before we were even neighbors, thank you. You just had a very friendly personality. When Shelbi would babysit Tony, I would not even know he was in the house. I would say to myself, "Lord this child is nothing like his mother because I always knew when you were around (LOL); I would be lying in my bed some mornings, and you would be outside walking your dog and talking to the neighbors and I would be like who is that person outside talking so early on the weekends; it would be you; I would just laugh to myself and say that's Donna she even wakes up early with conversation.(LOL) I remember there have been times when my mother would be coming to my house and when she would come in and say, "Girl, I been at your house for 30 mins, but I was outside talking to Donna, and she would say that girl sure can talk; I would say to my mother you sure can talk also it takes two to hold a conversation (LOL). My mother would say I sure like that girl. Donna you had a way of making people talk. You are the only neighbor that has been in my home because I'm not the type of person to have folks in and out my house, but it was something special about you, and I really enjoyed your company. I am really going to miss having you in the community. Like you said when I moved in "Girl, I glad someone elso is movng in around my age. Shelbi says I can't believe Ms. Donna is gone she was funny. Although my daughter and I have only known you for 16 months, their is a void in our life; you made Shelbi and myself feel so very comfortable in our new surroundings, and we both just want to say thank you so much for coming inot our lives, and we will meet you on the other side. Our prayers are with your family. Ma Donna and Tony stay strong; remember their is a God that sits high and he looks low; he will take care of all your needs. “ Donna, I will miss you for the support and love that you have given all of us over the years. From day one you have treated and called me your big brother. You always thanked me for coming into your life. Needless to say, I thank you for allowing me to be a part of your life. I especially, thank you for the unconditional love that you have given to my wife and daughters. You have a very good heart. Not to mention, you weren't afraid to say what was on your mind. I respect that! I will always remember the calls telling me that you and Lachond weren't talking however, you wanted to know if she was cooking. Regardless, you would come over for a day and stay for weeks just to be with your neices. Holidays and birthdays will never be the same without hearing your voice. You would ask me how I put up with Lachond. And my response was always, the same way I put up with all of you; Aunt Donna, Lachond, Madonna, Tinea and Shamia under the same roof would drive anyone in sane. But I loved every bit of it! You have been there for every season no matter the reason. For you we are all so truly grateful. Love you always, Big Brother Allen###imported-begin##Allen Delaney###imported-end##

“ I send my deepest and heartfelt condolences to the family of Donna at this most difficult time. Losing a loved one in death is a most devastating thing for any family to have to deal with, and my prayers are with you; especially to her children. I know how much you miss your mom, because I too lost my mother when I was very young. Keep this in mind that Jehovah God has better things in store for us, and he does not desire to see any family in pain because of losing a loved one. That is why he makes this promise at 1st Cor 15:26: "As the last enemy, death will be brought to nothing." Yes he views death as our enemy, and he promises to do away with death forever. Isaiah 25,8 promises that he will swallow up death forever, and certainly wipe the tears from all faces." To the children of Donna, the bible promises that the dead will be raised back to life by means of a resurrection. This is why God resurrected Jesus back from the dead, so that by means of his precious blood that he shed in our behalf; all those in the memorial tombs will have the opportunity of one day hearing Jesus"s voice, and they will come out of those tombs back to life everlasting. Family, I would like to share with you how this blessing will come about, and what we must do in order to be reunited with our loved ones again. So please contact me at my e-mail address. May the memories of your beautiful mother be a source of comfort to you, and may the thought of one day seeing her again help you to cope in the days to come.##imported-begin##Rita Johnson##imported-end##
