“ *May I express my deepest sympathy to you all in you lost of baby Donovan circle of life being broken. Imagine the happiness to be had when the dead are resurrected back to life in near future, John 5:28, 11:22-44. We all have lost someone in death at one time or another and know the feeling and pain and hurt too. Just knowing that others cares, 1 Peter 5:7, helps so much at time. May the many promises of our creator help to support you all in life journey ahead.##imported-begin##Lillian Crosby##imported-end##*

“ Dear family of Donovan, I'm so very sorry that you lost your precious little baby. He was so beautiful, and I can only imagine the pain you have gone through. I too lost my only son 10 years ago, and it was so difficult to cope with; even though he was older. Death is a very painful thing to endure, but what comforts me is knowing about Jehovah's wonderful promise of a resurrection. He has entrusted all authority to his Son Jesus to bring the dead back to life in a peaceful paradise that will soon come to pass. 2nd Peter 3:13 tells us, "But there are new heavens and a new earth in which we are awaiting, and in these righteousness is to dwell. What a wonderful promise that is. Also John 5:26-29 lets us know that all those who are in the memorial tombs will one day hear Jesus's voice and come out. May the hope of the resurrection be a source of comfort and strength to you, and help you to cope with losing Donovan. Please contact me on my e-mail if you would like to know more about how these blessings will come about.##imported-begin##R Johnson##imported-end##
