To My Husband

You made my life worth living.

I was supposed to spend the rest of my life with you,

and then I realized ...you spent the rest of your life with me.

Forever your wife

Nicole Johnson

God saw you getting tired, and a cure was not to be. So He put His arms around you and whispered, "Come with Me."

With tearful eyes we watched you slowly fade away. Although we loved you dearly, we would not make you stay.

A golden heart stopped beating, your hard-working hands put to rest, God broke our hearts to prove to us He only takes the best.

With Eternal Love

Your Children

“ To My cousin, Friend Donta, you gonna be missed dearly. Just doesn't seem like you're gone. Gonna miss the long talks about life and how we can continue to advance in Life. You made it to the other side. Your work is done. To be absent from the body is to be present with The Lord. God prepared many mansions and you have now claimed yours. I'm sad and happy. I'm sad your not here to be with the family but I'm happy you have no more sickness, no more pain. I'll never forget you and love you always
