“ *""Sorry about the loss of your loved one. As a family we find comfort in the words of John 5:28,29 "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out , those who did good things to a resurrection of life". We hope these words are comforting to you.##imported-begin##sharon hill##imported-end##*

“ *The richness of the human experience is in what is handed down from one life to the next –not simple things of mortar and stone, but memories of what one said or felt or did. Live with your good memories, as they will add to your comfort, which comes from knowing that your grief is shared and understood.##imported-begin##The March Family and Staff##imported-end##*
