“ To my family we have losted a jewel. But heaven have gained an angel. From the time Doris moved to South carolna and decided to move with me we created a bond of Love that never changed. We told each other and expressed our love to each other. We shared so much privacy with each other. Doris was more than a cousin to me she was the sister i never had. I introduced her to her husband also was her witness @ her marriage. She joined the church i attended & wa a dedicated member until her health declined. She loved her church & church family. I will miss her but the sweet precious moments we shared together will forever remain in my heart. Doris i love you forever but God love you more. your cousin Eunice (nuke).

“ To the family and loved ones of dear Doris. It is with deep sorrow, I have learned of the death of your dear Doris. The pain of losing our loved ones to death is painful, even if their years were many . It can be very difficult to understand why we get ill, get old, and then we die , both old and young. May you draw strength from the knowledge that Our Heavenly Father never purposed this end for any of us. As a matter of fact, He hates death, and calls it an Enemy, that He will get rid of, once and for all. (1 Corinthians 15:26 and Isaiah 25:8). Soon we can welcome our loved ones back here on earth, just like the nine accounts The Creator had documented for us for us to examine, in His Word The Bible. Some, of those, 2 Kings 32-37, Matthew 9:23-26, and Mark 5:35-43. This time , though to a Paradise, where sickness , getting old, and death will be no more(Psalms 37:9-11, Revelation 21:3,4, Isaiah 33:24). May you be comforted in this hope, and know we will see her again, very, very soon. Sincerely, Mrs. D. Ward

To my dearest Grandmother,

The Lord loaned you to us for 90 years, I feel truly blessed. You are now in your heavenly home that the Lord has prepared for us. I will remember all the talks and good times we had. You taught me to be humble, love everybody and treat people the way you want to be treated. I have so many precious memories. When you were in South Carolina, you were only a phone call away. You loved all your children. I am so glad that your last wishes were met. All your children were with you when you passed over to be with Lord. It breaks my heart for you to leave, but our Lord & Savior Jesus Christ knew you were tired. So he called you home to be with your mother, sisters and brothers. Just remember we love you very much, I know you are in a better place.

*Love you very much,
Wanda*

TO MY GRANNY, I want to first thank GOD for blessing me with you, I love you so very much, you have always been there for me, growing up you always called me your baby, and I was proud to be. We shared conversations about life and the lessons that we all will face, one of the things I remember you telling me was to be true in everything because the truth will set you free, anything that I asked you I know I got the truth, you also told me that a time will come and I will be tested and even if I fall short to never give up keep trying until I pass the test, you told me to trust the LORD and believe in his word, you told me that my faith will carry me through, you told me to hold my head up and be proud of where I came from and who I was . It was an honor to have been blessed with you as my Granny, we shared a love that was special and that bond, that connection will forever live inside my heart always. I am proud to come from the legacy of the Thompson Women. Granny, you fought the good fight, your work here is done, and although in body and flesh you are gone, you will live in all the memories that I keep in my heart forever, Thank you Granny , you always made me feel special, your love was what was special to me, all of my friends felt your love also because they too called you Granny, I won't lie It's sad to have to say goodbye so I won't say it, what I will say is I'LL SEE YOU WHEN I GET THERE GRANNY AND AS ALWAYS THANK YOU LORD I JUST WANT TO THANK YOU LORD FOR MY GRANNY , THANK YOU FOR HER LIFE, I THANK YOU FOR HER HEART AND MOST OF I THANK YOU FOR HER LOVE, REST NOW MY GRANNY IN ETERNAL PEACE, JOY COMES IN THE MORNING, I KNOW YOU WILL SAVE A SEAT FOR ME ALWAYS YOUR BABY IN LIFE AND IN DEATH I WILL ALWAYS LOVE YOU GRANNY, PEACE MAY GOD BLESS US ALL THERE'S ONE MORE THING I REMEMBER GRANNY TEACHING ME IS THAT NOTHING'S REAL BUT LOVE AND THAT GOD IS LOVE AND TO JUST HOLD BABY HELP AND BLESSINGS ARE ON THE WAY ALL YOU HAVE TO DO IS BELIEVE.
