To the family of Doris Freeland:

I extend my deepest sympathy to your family during this painful time. Yes painful because when we lose a love one to death it hurts, never having the opportunity to see them again, to show our love and affection by the things we say or do; to embrace them in our arms for the tender loving connection between family and friends; That is truly the beauty of life which is a gift from God. Jehovah God did not purpose for our lives to be cut short for any reason no matter how young or old that is why he made a provision by means of Jesus that we may have life again. (John 5:28-29). Yes in due time Jehovah God has promised by means of Jesus Christ that the dead will awaken (Dan 12:2)and death will be no more, no more suffering and pain according to Rev 21:4, not to mention no one ever having to say they are sick. (Is 33:24). That is truly a gift of God and one day in our life time the righteous will possess the earth and reside upon it forever (Ps 37:29) in an abundance of peace. (Ps 37:11) So take heart and be encouraged to know Doris still remains in God's memory and she too will benefit from that loving promised blessing of living again here on earth. Just a little while longer and God's promise will be realized. May the God of comfort embrace you all in His love

To the family of Doris Freeland:

I would like to extend my deepest sympathy to your family during this painful time. I attend the same congregation as Sister Freeland and let me tell you it was a joy to see her courageously come to the hall even when she didn't feel well. Yes it's very painful when we lose a loved one to death so wouldn't it be great to see, talk, touch, hug, smile and cry together again. Well, life which is a gift from God knew that Jehovah God did not purpose for our lives to be cut short for any reason no matter how young or old that is why he made a provision by means of Jesus that we may have life again. (John 5:28-29). That is truly a gift of God and one day in our life time the righteous will possess the earth and reside upon it forever (Ps 37:29) in an abundance of peace. (Ps 37:11) Yes it is extremely encouraging to know that in due time Jehovah God has promised by means of his son, Jesus Christ that the dead will awaken (Dan 12:2)and death will be no more, no more suffering and pain according to Rev 21:4, not to mention no one ever having to say they are sick.(Is 33:24). So take heart and be encouraged to know Sister Freeland (Doris) still remains in God's memory and she too will benefit from that loving promised blessing of living again here on earth. May Jehovah God embrace you all in His love
